<b>Medicaid data updates for Clark County</b>	<p>Medicaid Data updates for Clark Co. Krizia Melendez, Humana Presentation - request slides to be sent. (emailed) Data - Aggregate data for Pregnant Medicaid Members in Clark Co. Out of 25,497 Women of Reproductive age, 2435 pregnant/post-partum women utilized the benefits in 2025. Out of 994 Births in Clark Co. 254 are being assessed Perinatally, 191 are being assessed Prenatally .</p>	<p>Follow Up Clarification sent post meeting: How are we defining assessed prenatally/perinatally?: “Assessed prenatally” meant that the health plan assessed her during the pregnancy; “assessed perinatally” added the 85 days postpartum.</p>

		<p>Why are the assessments for Anthem and AmeriHealth at 0?: Anthem and AmeriHealth were unable to produce the data within our presentation time frame. As they constitute a small share of the pregnancies for Clark County they were excluded from the analysis. Both plans conduct the assessment.</p>
